GILROY'S ARTICULATE SOLUTIONS WINS INTERNATIONAL DAVEY AWARD

GILROY, CA, February 2, 2009 – Gilroy's distinguished marketing and design firm, Articulate Solutions, has been honored at the 2008 International Davey Awards, an international design competition that recognizes the creative excellence of smaller agencies and companies worldwide. The Davey is judged by the International Academy of the Visual Arts, an exclusive organization of top-tier professionals from acclaimed media, advertising, and marketing firms.

Competing against over 4,000 entries from around the world, Articulate Solutions took home silver for the design of Integrated Architecture's logo.

"It was an extraordinary experience working with Articulate Solutions. They far exceeded our expectations. We wanted a newer, more refined corporate identity, which built upon our history as a company. Articulate Solutions did just that!" said architect Jeffrey King.
